You have just created the new class

**class: Today's Sample Class**

For students to enroll in this class, they will need both the enrollment password you have chosen and the unique class ID generated by Turnitin. If you will be submitting papers for your students, enter the class, enter the assignment, and click the submit paper button.

class ID: **3270793**

enrollment password: **Password**

Note: Should you ever forget the class ID, it is shown next to the name of this class on your class list, just like in this example

class ID	class name
1927710	<a href="#">English 101</a>
